## IF YOU DON'T RECEIVE SNAP

If you have been affected by Hurricane Laura, you can **REGISTER NOW for DSNAP**. Registration does **not** guarantee benefits, but will make the application process easier and quicker if a DSNAP is approved for your community.

## IF YOU DO RECEIVE SNAP

Regular benefits issued early - on **SEPTEMBER 1**.

If you do not already receive the maximum for your household size, you also will receive a **COVID emergency allotment on SEPTEMBER 18** bringing you up to that amount. **No additional benefits will be issued beyond the maximum per household size, even if a DSNAP is authorized in your community.**

You may also be eligible for **Replacement SNAP benefits** if you lost food purchased with SNAP because your power was out for 24+ hours straight. **You do not need to take any action on this right now. Sit tight, and await further information.**

SNAP recipients are **not** eligible for **DSNAP**.
