**What is LaCAP?**

LaCAP is a food assistance program for Louisiana residents who are at least 60 years of age and receive Supplemental Security Income (SSI). You can buy food that meets your nutritional needs and helps you have better health through LaCAP. It is a simplified version of the Supplemental Nutrition Assistance Program (SNAP). If you are eligible for LaCAP, you will receive a Louisiana Purchase Card and SNAP benefits will be automatically deposited into your account every month. There are three standard allotment amounts in LaCAP. Depending on shelter costs, LaCAP participants will receive $35, $82 or $173. In order to receive the most benefits possible, you need to tell us about your housing expenses. Failure to report any of the expenses listed below will be seen as a statement by your household that you do not want to receive credit for the unreported expense. LaCAP cases are certified for 36 months.

**Who is eligible?**

You may be eligible for LaCAP if you are receiving Supplemental Security Income (SSI) and you:

- Are age 60 or older,
- Are not institutionalized or otherwise ineligible for SNAP benefits due to immigration status, or an Intentional Program Violation,
- Live alone or buy and prepare your food separately or agree to buy and prepare your food separately from the other people who live with you, and
- Are not living with your spouse or your own child who is under 22 years of age.

**How do you apply for LaCAP?**

- Complete the Louisiana Combined Application Project Enrollment Form.
- Return the completed form to any parish/district Department of Children and Family Services, Economic Stability office.
  - There are no telephone or face-to-face interviews required.
  - There are no verification requirements.

**What happens after we receive your enrollment form?**

- You will be assigned a worker.
- Your worker will determine your eligibility.
- We will send you a letter within 30 days of the date we receive your enrollment form to let you know if you are eligible or not. If you are eligible, the letter will also tell you the amount of your benefits and when they will begin.
- If you are not currently certified for regular SNAP benefits, we will send a Louisiana Purchase Card to you within 7 days from the date we received your enrollment form or when your case is certified, whichever comes first. Receipt of the card does not necessarily mean that you have been determined eligible for benefits. If you are certified, you will be able to activate your card and your benefits will be deposited into an account each month. When you activate your card, you will select a Personal Identification Number (PIN). You will use your Louisiana Purchase Card and PIN to access your benefits to help pay for your groceries. It will be your responsibility to keep your card and PIN safe. Anyone who knows your PIN can access your benefits with your card.
Do you have to get assistance for food through LaCAP?

No, it is your choice. You can get food assistance through LaCAP or through regular SNAP. If you receive benefits through LaCAP and you want to change to regular SNAP, you can do so at any time. You may qualify for more benefits through regular SNAP if you:

- Pay more than $35 per month in out-of-pocket medical expenses, or
- Pay more than $55 per month for shelter costs.

What if your circumstances change?

You may report changes in your circumstances, but you are not required to do so. If your shelter costs increase, you may want to report this since it could mean that your LaCAP benefits would increase. You may report this by calling 1-888-LA HELPU (1-888-524-3578). The Social Security Administration will let us know if you become ineligible for SSI, move out of the state or become institutionalized. These changes in your circumstances may cause you to become ineligible for benefits through LaCAP.
