Chapter 73. Child Placing Agencies—General Provisions

§7301. Purpose

- A. It is the intent of the legislature to protect the health, safety, and well being of the children of the state who are in out-of-home care on a regular or consistent basis. Toward that end, it is the purpose of Chapter 14 of Title 46 of the Louisiana Revised Statutes of 1950 to establish statewide minimum standards for the safety and well being of children, to ensure maintenance of these standards, and to regulate conditions in these providers through a program of licensing. It shall be the policy of the state to ensure protection of all individuals placed by a provider and to encourage and assist in the improvement of provided services. It is the further intent of the legislature that the freedom of religion of all citizens shall be inviolate.

§7303. Authority

A. Legislative Provisions

1. The Child Care Facility and Child Placing Act 286 of 1985 as amended (R.S. 46:1401-1424) is the legal authority under which the department prescribes minimum standards for the health, safety and well-being of children placed in foster care and adoption. The rules are in LAC 67:V.Subpart 8, Chapter 73.
2. Public Law 96-272, the Adoption Assistance and Child Welfare Act of 1978 and Act 429 of 1981 Louisiana legislature made permanency planning for children in foster care a matter of federal and state law and public social policy.
3. Public Law 103-382, the Multiethnic Placement Act of 1994, the U.S. Constitution and Title VI of the Civil Rights Act of 1964 provide that an entity which receives federal financial assistance and is involved in adoption or foster care placements may not discriminate on the basis of the race, color or national origin of the adoptive or foster parent or the child involved.

B. Facilities Requiring a License

1. Any institution, society, agency, corporation, facility, person or persons or any other group other than the parent(s) or guardian(s) of a child, engaged in placing a child or children in foster care and/or adoption in Louisiana or in placing a child or children from Louisiana into another state or foreign country is required to be licensed as follows or to work through a licensed agency in the state.
 - a. Any agency with an office and staff within the state is required to have a license in Louisiana.

2. Pursuant to ACT 64 of the 2010 Legislative Session, child placing agencies within the Department of Children and Family Services shall be exempt from the provisions of this Chapter. The department is authorized and mandated to perform its child-placing functions in accordance with the standards promulgated by the department for licensed child-placing agencies.

As stipulated in R.S. 46:1421, whoever operates any child care facility without a valid license shall be fined not less than \$75 nor more than \$250 for each day of such offense.

E. Waiver Request

1. The secretary of the department, in specific instances, may waive compliance with a standard, as long as the health, safety, and well-being of the staff and/or the health, safety, rights or well-being of residents is not imperiled. Standards shall be waived only when the secretary determines, upon clear and convincing evidence, that the economic impact is sufficient to make compliance impractical for the provider despite diligent efforts, and when alternative means have been adopted to ensure that the intent of the regulation has been carried out.
2. Application for a waiver shall be made in writing and shall include:
 - a. a statement of the provisions for which a waiver is being requested; and
 - b. an explanation of the reasons why the provisions cannot be met and why a waiver is being requested.
3. The request for a waiver will be answered in writing and approvals will be maintained on file by the requesting provider and the department. The department shall document the reasons for granting the waiver. A waiver shall be granted for a period of one year or as specified by the secretary and will not be renewed if the basis for it no longer exists. If the provider has been granted a waiver by the department, the waiver will be identified on the survey report of any subsequent annual survey report.

F. Variance Request

1. The secretary of the department, in specific instances, may grant an exception to the standards temporarily for the purposes of allowing emergency placement of a

child as long as the health, safety, and well-being of the child or other children in the home is not imperiled.

2. A request for a variance shall be made in writing and shall include a statement of the provisions for which the variance is being requested.
3. The request for a variance will be answered in writing and specify the period of time for which the variance is being granted. A variance may be granted for a length of time not to exceed 90 days, and may be renewed one time, for good cause shown, for an additional 90 day period not to exceed 180 days.

After an initial licensing application is closed, an applicant who is still interested in becoming a CPA shall submit a new initial licensing packet with a new application fee to start the initial licensing process. Once the department has determined the application is complete, the applicant will be notified to contact the department to schedule an initial survey. After an initial licensing application is closed, an applicant who is still interested in becoming a CPA shall submit a new initial licensing packet with a new application fee to re-start the initial licensing process.

C. Initial Licensing Survey

- 1. Prior to the initial license being issued to the CPA, an initial licensing survey shall be conducted on-site at the CPA to assure compliance with all licensing standards. The initial licensing survey shall be an announced survey. No resident shall be provided services by the CPA until the initial licensing survey has been performed and the department has issued an initial license.
- 2. In the event the initial licensing survey finds the CPA is compliant with all licensing laws and standards, and is compliant with all other required statutes, laws, ordinances, rules, regulations, and fees, the department may issue a full license to the provider after receipt of the annual licensing fee as prescribed by the department. The license shall be valid until the expiration date shown on the license, unless the license is modified, extended, revoked, suspended, or terminated.
- 3. - 4. In the event the initial licensing survey finds that the CPA is noncompliant with any licensing laws or standards, statutes, laws, ordinances, or rules but the department, in its sole discretion, determines that the noncompliance does not present a threat to the health, safety, or welfare of the participants, the department may issue an initial license for a period not to exceed three months. The provider shall submit a corrective action plan to the department. The corrective action plan shall include a description of how the deficiency shall be corrected and the date by which corrections shall be completed. The department must approve the corrective action plan prior to issuing the initial license. If the department determines, prior to the expiration date of the initial license, that such noncompliance or deficiencies have been corrected, a license will be issued. If the department determines that such noncompliance or deficiencies have not been corrected, the license will

expire and all operations shall cease. The provider shall be required to begin the initial licensing process again by submitting a new initial license application packet and fee.

D. Fees

compliance with the licensing laws and standards, and any other required statutes, laws, ordinances, or regulations, the license shall be renewed for a 12 month period.

4. In the event the annual licensing survey finds the CPA is non-compliant with any licensing laws or standards, or any other required statutes, ordinances or regulations but the department, in its sole discretion, determines that the noncompliance does not present a threat to the health, safety, or welfare of the participants, the provider shall be required to submit a corrective action plan to the department for approval. The department shall specify the timeline for submitting the corrective action plan based on such non-compliance or deficiencies cited but no later than 10 days from the date of notification. The corrective action plan shall include a description of how the deficiency shall be corrected and the date by which correction(s) shall be completed. Failure to submit an approved corrective action plan timely shall be grounds for non-renewal.
5. If it is determined that such noncompliance or deficiencies have not been corrected prior to the expiration of the license, the department may issue an extension of the license not to exceed to 60 days.
6. When it is determined by the department that such noncompliance or deficiencies have been corrected, a license will be issued for a period not to exceed 12 months.
7. If it is determined that all areas of noncompliance or deficiencies have not been corrected prior to the expiration date of the extension, the department may revoke the license.

F. Notification of Changes

1. A license is not transferable to another person or location.
2. When a provider changes location, it is considered a new operation and a new application and fee for licensure shall be submitted 30 days prior to the anticipated move. All items listed in §7307.B.1 shall be in compliance for the new location. An onsite survey is required prior to change of location.

 - h. provider refuses to allow the Licensing Section to perform mandated duties, i.e., denying entrance to the facility, lack of cooperation for completion of duties, intimidating or threatening DCFS staff, etc.
2. Even if a facility is otherwise in substantial compliance with these standards, an application for a license may be denied, revoked or not renewed for any of the following reasons:
- a. the owner, director, officer, board of directors member, or any person designated to manage or supervise the provider or any staff providing care, supervision, or treatment to a resident of the facility has been convicted of or pled guilty or *nolo contendere* to any offense listed in R.S. 15:587.1. A copy of a criminal record check performed by the Louisiana State Police (LSP) or other law enforcement provider, or by the Federal Bureau of Investigation (FBI), or a copy of court records in which a conviction or plea occurred, indicating the existence of such a plea or conviction shall create a rebuttal presumption that such a conviction or plea exists;
 - b. the provider, after being notified that an officer, director, board of directors member, manager, supervisor or any employee has been convicted of or pled *nolo contendere* to any offense referenced above, allows such officer, director, or employee to remain employed, or to fill an office of profit or trust with the provider. A copy of a criminal record check performed by the LSP or other law enforcement provider, or by the FBI, or a copy of court records in which a conviction or plea occurred, indicating the existence of such a plea or conviction shall create a reputable presumption that such a conviction or plea exists;
 - c. failure of the owner, director or any employee to report a known or suspected incident of abuse or neglect to child protection authorities;
 - d. revocation or non-renewal of a previous license issued by a state or federal provider;
 - e. a substantial history of non-compliance with licensing statutes or standards, including but not limited to failure to take prompt action to correct deficiencies, repeated citations for the same deficiencies, or revocation or denial of any previous license issued by the department;
 - f. failure to timely submit an application for renewal or to timely pay required fees; and/or
 - g. operating any unlicensed facility and/or program.
3. If a license is revoked, denied or refused, a license may also be denied or refused to any affiliate of the licensee or applicant. For the purpose of this Section, "affiliate" means:

- a. with respect to a partnership, each partner thereof;
 - b. with respect to a corporation, each officer, director and stockholder thereof; and
 - c. with respect to a natural person: anyone related within the third degree of kinship to that person; each partnership and each partner thereof which that person or any affiliate of that person is a partner; and each corporation in which that person or any affiliate of that person is an officer, director or stockholder.
4. In the event a license is revoked or renewal is denied, (other than for cessation of business or non-operational status), or voluntarily surrendered to avoid adverse action any owner, officer, member, manager, director or administrator of such licensee shall be prohibited from owning, managing, directing or operating another licensed facility for a period of not less than two years from the date of the final disposition of the revocation or denial action. The lapse of two years shall not automatically restore a person disqualified under this provision to eligibility for employment. The department, at its sole discretion, may determine that a longer period of disqualification is warranted under the facts of a particular case.

H. Posting of Notices of Revocation

1. The notice of revocation of the license shall be prominently posted.
 - a. The Department of Children and Family Services shall prominently post a notice of revocation action at each public entrance of the CPA within one business day of such action. This notice must remain visible to the general public, other placing agencies, parents, guardians, and other interested parties who are involved with children who attend the child care facility.

The provider shall ensure that the notice continues to be visible the general public, other placing agencies, parents, guardians, and other interested parties throughout the pendency of any appeals of the revocation.
 - c. The provider shall notify the department's licensing section in writing immediately if the notice is removed or obliterated.
 - d. Failure to maintain the posted notice of revocation required under these rules shall be grounds for denial, revocation or non-renewal of any future license.

I. Disqualification of Facility and Provider

1. If a facility's license is revoked or not renewed due to failure to comply with state statutes and licensing rules, the department shall not accept a subsequent application from the provider for that facility or any new facility for a minimum period of two years after the effective date of revocation or non-renewal or a minimum period of two years after all appeal rights have been exhausted, whichever is later (the disqualification period). Any pending application by the same provider shall be treated as an application for a new facility for purposes of this section and shall be denied and subject to the disqualification period. Any subsequent application for a license shall be reviewed by the secretary or her designee prior to a decision being made to grant a license. The department reserves the right to determine, at its sole discretion, whether to issue any subsequent license.

2. Any voluntary surrender of a license by a facility facing the possibility of adverse action against its license (revocation or non-renewal) shall be deemed to be a revocation for purposes of this rule, and shall trigger the same disqualification period as if the license had actually been revoked.
3. In addition, if the applicant has had a substantial history of non-compliance, including but not limited to revocation of a previous license, operation without a license, or denial of one or more previous applications for licensure, the department may refuse to accept a subsequent application from that applicant for a minimum period of 24 months after the effective date of denial.
4. With respect to an application in connection with the revoked, denied, or not renewed facility, the disqualification period provided in this Section shall include any affiliate of the provider.

J. Appeal Process

1. If the department refuses to grant or renew a license, if a license is revoked, the procedure will be as follows.

 - d. An administrative law judge shall conduct the hearing. Within 90 days after the date the appeal is filed, the administrative law judge shall notify the appellant in writing of the decision, either affirming or reversing the original decision. If the department's decision is upheld, the facility shall terminate operation immediately.
2. If the facility continues to operate without a license, the department may file suit in the district court in the parish in which the facility is located for injunctive relief.

The corrective action plan shall include a description of how the deficiency shall be corrected and the date by which corrections shall be completed. If it is determined that all areas of noncompliance or deficiencies have not been corrected, the department may revoke the license.
 4. Except in cases alleging abuse or neglect, the complainant will be notified in writing of the results of the complaint investigation conducted by the department's licensing section.
 5. If, because of the nature of the allegations, state law or department policy requires that the complaint be handled by another office, or board (including another office or board within the department), the complaint will be referred to the appropriate office or board without delay. Upon such referral, except in cases involving abuse or neglect, the complainant will be notified, in writing, of the referral.
 6. The complaint procedure shall be posted conspicuously in the facility including the name, address, and telephone number of the required department units to be notified.
