**DCFS Curam Upgrade
Questions / Responses**

1. **Section 2.5 - Schedule of Events page 6**

Our team is working to produce a high quality proposal that completely addresses the requirements stated in the RFP. Due to the holiday season, I would like to request an extension to the proposal submission deadline for “Upgrading the ACES Application From Cúram Version 4.5_SP02 to Cúram Version 5.2_SP4” RFP.

DCFS Response:

The proposal submission date identified in the Schedule of Events, Section 2.5 of the RFP, will remain as January 11, 2012.
