

QRS RFP

Questions and Answers

1. In the RFP on page 12 in section 5.6, it reads, "The proposer shall submit a total cost for providing all services statewide as described in the RFP for the initial 12 month period." My question is, do you want the proposal to include a budget for only 12 months, or do you want a budget for 15 months covering April 1, 2013-June 30, 2014 as this is the "term of the contract" detailed on page 2, section 2.1? Or do you want both a 12 month and 15 month budget?

2. Fifteen (15) months covering April 1, 2013 – June 30, 2014.
