

NOTICE OF CANCELLATION OF REQUEST FOR PROPOSAL

The Request for Proposal for Strategies To Empower People (STEP) Program by Louisiana Department of Children and Family Services (RFP#: 360PURSSRFP016) is being cancelled as of March 20, 2014. The cancellation is submitted because it has been determined that the RFP, as drafted, is not conducive to conducting business with for-profit entities. It is in the best interest of the state to cancel the RFP and develop an RFP that is conducive to conducting business with for-profit as well as non-profit entities.

It is the intent of DCFS to reissue the (STEP) RFP at the earliest possible date following appropriate review and approvals to ensure continuity of services.
