§5599. Louisiana Student Financial Assistance Grants
A. The department through an agreement with the Louisiana Office of Student Financial Assistance (LOSFA) shall collect information on tuition assistance expenditures provided to eligible low income students who are pursuing postsecondary education for the purpose of claiming eligible expenditures that may count as Maintenance of Effort (MOE) effective TANF State Plan FY 2011 for the Temporary Assistance for Needy Families (TANF) grant. The eligible tuition assistance expenditures that may be claimed as MOE are from the following programs:

To receive the Go Grants, a student must be receiving a federal Pell grant and have remaining financial need, as determined in accordance with a formula established by the Louisiana Board of Regents. The formula for determining financial need is subject to change on a yearly basis in order to ensure that the greatest number of students will benefit from the funds appropriated for the program by the Louisiana Legislature.

2. **Taylor Opportunity Program for Students (TOPS)** - A state scholarship program for Louisiana residents who attend Louisiana postsecondary institutions.

The services provide the students with the tools necessary to reduce risky behaviors and increase positive decision making.

the U.S. Department of Education. The amount used for TANF
maintenance of effort is not duplicated in determining match or
maintenance of effort for any other program.

2. TANF eligibility for students receiving TOPS will
be determined by receipt of a Go Grants. Certification for TANF
MOE for TOPS expenditures will be for those students who
simultaneously receive TOPS and Go Grants and are defined as
dependent by the U.S. Department of Education.

D. Services are considered non-assistance by the
